

MHT-CET Crash Course - 2018 (Track Sheet)

PHYSICS		CHEMISTRY		MATHEMATICS	
Test Code	TOPICS	Test Code	TOPICS	Test Code	TOPICS
P 1	Measurements Scalars & Vectors	C 1	Some Basic Concept Of Chemistry	M 1	Trigonometric Function
P 2	Force	C 2	State of Matter	M 2	T.F. Of Compound Angles & Fact. Formulae
P 3	Friction In Solid & Liquids	C 3	Redox Reaction	M 3	Straight Line
P 4	Refraction Of Light	C 4	Nature of Chemical Bond	M 4	Pair Of Straight Line
P 5	Waves Motion & Stationary Wave	C 5	Basic Principles & Technique In Organic Chemistry	M 5	Circle
P 6	Wave Theory Of Light, Interference & Diffraction	C 6	Alkane, Surface Chemistry	M 6	Conics
P 7	Ray Optics	C 7	Solid State	M 7	Sets, Relations & Functions
P 8	Circular Motion	C 8	Solution & Collagatine Properties	M 8	Probability
P 9	Gravitation	C 9	Chemical Thermodynamics & Energetics	M 9	Probability & Binomial Distribution
P 10	Rotational Motion	C 10	Electrochemistry	M 10	Sequence & Series
P 11	Oscillations	C 11	Chemical Kinetics	M 11	Continuity
P 12	Elasticity & Surface Tension	C 12	Halogen, Derivatines of Alkanes & Arene	M 12	Derivatives
P 13	Kinetics Theory of Gases	C 13	Alcohol, Phenols & Ether	M 13	Application of Derivatives
P 14	Electrostatics	C 14	Aldehyde ketone & Carboxylic Acid	M 14	Integration (Definite & Indefinite)
P 15	Current Electricity	C 15	Compounds Containing Nitrogen	M 15	Application of Integration
P 16	Magnetic Effect of Electric Current & Magnetism	C 16	Bio Molecules & Polymers	M 16	Differential Equation
P 17	Electromagnetic Induction	C 17	Co-ordination Chemistry	M 17	3-D Geometry
P 18	Electrons & Photons	C 18	P-Block Elements	M 18	Line & Plane
P 19	Atoms Molecule & Nuclei	C 19	D & F-Block Elements, Hydrogen, S-Block Elements	M 19	Logic / Matrices
P 20	Semiconductor & Communication System	C 20	Principles, Purification & Chemistry In Every Day Life	M 20	Linear Programming

MHT-CET Crash Course is starting from 19th March, 2018.

Per lecture 2 hrs.

Mock Test is complete syllabus of 3 hrs, consisting of Physic, Chemisty & Mathematics.
