RISHI AGARWAL

(TWO YEAR CLASSROOM PROGRAM STUDENT)

I am a student of Pace Junior Science College. I am very thankful to Pace, Tyagi Sir, all the teachers, my mentor and the management team. The management and teachers are highly committed to make students succeed. The teachers are like friends and great mentors who helped mould my interest and passion. I owe my entire success to PACE only. If you are a JEE aspirant, I would strongly recommend PACE only.
